Task-02-Subtask-01

The screenshot displays a Jira Software interface for a project named 'Bookiee'. The browser address bar shows the URL <https://bookiee.atlassian.net/browse/BK-12>. The Jira header includes the 'Jira Software' logo, navigation links for 'Your work', 'Projects', 'Filters', 'Dashboards', 'People', and 'Apps', a 'Create' button, and a search bar.

The left sidebar contains the project 'Bookiee' (Next-gen software project) and a list of navigation items: Roadmap, Backlog, Board, Code, Project pages, Add item, and Project settings. A message at the bottom of the sidebar states 'You're in a next-gen project' with links to 'Give feedback' and 'Learn more'.

The main content area shows the project hierarchy: Projects / Bookiee / BK-5 / BK-12. The title is 'Search by Book title'. Below the title are buttons for 'Attach', 'Link issue', and a dropdown menu. The 'Description' section contains a search box with the placeholder text 'Search by books (ex. কবিতাদের হাঙ্গামা, The Power Of Habit)' and a magnifying glass icon. Below the search box is a button labeled 'Book name.jpg'. The description text reads: 'Implement the search box like this so that any user can understand they they can search by Book Title'.

The 'Attachments (1)' section shows a single attachment named 'Book name.jpg'. Below the attachments is a comment section with a text input field labeled 'Add a comment...' and a 'Pro tip: press M to comment' message. The right sidebar shows the 'To Do' section with fields for Assignee (Khalid Saifullah), Labels (None), Story point estimate (None), and Reporter (Mohammad Masudul Alam). It also indicates the issue was 'Created 1 hour ago' and 'Updated 27 minutes ago'.

The Windows taskbar at the bottom shows the search bar with the text 'Type here to search' and several open applications. The system tray on the right shows the date and time: '2:50 AM 12/20/2020'.

Task-02-Subtask-02

The screenshot displays a web browser window with multiple tabs open, including 'Bookiee', '[BK-12]', '[BK-13]', '[BK-3]', 'New tab', 'Inbox', 'Untitled', 'Buy Book', 'Photo Sh', and a plus sign for more tabs. The address bar shows the URL 'https://bookiee.atlassian.net/browse/BK-13'. The Jira Software interface is visible, with the 'Bookiee' project selected. The left sidebar contains navigation options: Roadmap, Backlog, Board, Code, Project pages, Add item, and Project settings. The main content area shows the project details for 'BK-13', including a search bar with the placeholder text 'Search by Authors (ex. চন্দক ব্যাপার, J.K. Rowling)' and a search button. Below the search bar, there is a description field with the text 'Implement the search box like this so that any user can understand they they can search by Author name.' and an 'Attachments (1)' section. A comment box is visible at the bottom of the main content area, with the text 'Add a comment...' and a 'Pro tip: press M to comment' message. The right sidebar shows the 'To Do' section with a dropdown arrow, and the 'Assignee' field is set to 'Khalid Saifullah'. The 'Labels' field is set to 'None', and the 'Story point estimate' is set to 'None'. The 'Reporter' field is set to 'Mohammad Masudul Alam'. The bottom of the screen shows a Windows taskbar with the search bar, taskbar icons, and the system tray area.

Task-02-Subtask-03

The screenshot displays the Jira Software interface for a project named 'Bookiee'. The browser address bar shows the URL <https://bookiee.atlassian.net/browse/BK-14>. The Jira header includes the 'Jira Software' logo, navigation tabs for 'Your work', 'Projects', 'Filters', 'Dashboards', 'People', and 'Apps', and a 'Create' button. A search bar is located in the top right corner.

The left sidebar contains the project navigation menu with options: Roadmap, Backlog, Board, Code, Project pages, Add item, and Project settings. Below this menu, a message states 'You're in a next-gen project' with links for 'Give feedback' and 'Learn more'.

The main content area shows the project hierarchy: Projects / Bookiee / BK-5 / BK-14. The title 'Search by Publication' is displayed, followed by buttons for 'Attach', 'Link issue', and a dropdown menu. The 'Description' section contains a search box with the placeholder text 'Search by publisher (ex. गणेशदास शर्मा, HarperCollins)' and a search icon. Below the search box, the text reads: 'Implement the search box like this so that any user can understand they they can search by Publication.'

The 'Attachments (1)' section shows a table with columns for 'Name', 'Size', and 'Date added'. Below the table, there is a comment box with the placeholder text 'Add a comment...' and a 'Pro tip: press M to comment' message.

The right sidebar shows the 'To Do' section with a dropdown menu. Below this, the 'Assignee' is listed as 'KS Khalid Saifullah', 'Labels' as 'None', 'Story point estimate' as 'None', and 'Reporter' as 'MA Mohammad Masudul Alam'. The bottom of the sidebar shows the creation and update timestamps: 'Created 1 hour ago' and 'Updated 1 hour ago'.

The Windows taskbar at the bottom shows the search bar with the text 'Type here to search', several open application windows, and the system clock displaying '2:53 AM 12/20/2020'. An 'Activate Windows' watermark is visible in the bottom right corner.

The screenshot displays the Jira Software web application. The top navigation bar includes the Jira logo, the text "Jira Software", and links for "Your work", "Projects", "Filters", "Dashboards", "People", and "Apps". A "Create" button is visible on the right. Below the navigation bar, the left sidebar shows the project "Bookiee" and its sub-items: Roadmap, Backlog, Board, Code, Project pages, Add item, and Project settings. The main content area shows the issue "As a customer,i will be able to see all available books so that i can buy or rent them." with a description: "After implementing this customer will be able to see all available books and select books of customer's choice and rent or buy them." The issue is assigned to "JH" (Jadira Ibna Hasan) and has a status of "Done". The right sidebar shows the issue's metadata: Assignee (JH), Labels (None), Sprint (None), Story point estimate (None), and Reporter (MA - Mohammad Masudul Alam). The bottom of the page features a "Pro tip" and a "Give feedback" link.
